

SMARTER PAYROLL, SEAMLESS WORKFORCE MANAGEMENT WITH **MANPOWER VIETNAM**

Payroll, and workforce management in general, is critical-but often costly and complex, especially for businesses with a large and diverse workforce. Manpower Vietnam's market-leading Human Resources Information System (HRIS) delivers a secure, integrated, and tech-driven solution that streamlines payroll, boosts efficiency, optimize costs and lets companies focus on what truly matters.

Why Manpower Vietnam's Payrolling?

Flexibility

Fully **customizable** to align with your unique HR policies and workflows - and you can do it yourself.

Compliance

100% compliant with **ISO 27001, GDPR,** and Vietnam's latest regulations.

Efficiency

The fastest payroll engine ever: process payroll for thousands of employees in under **2 minutes**.

Security

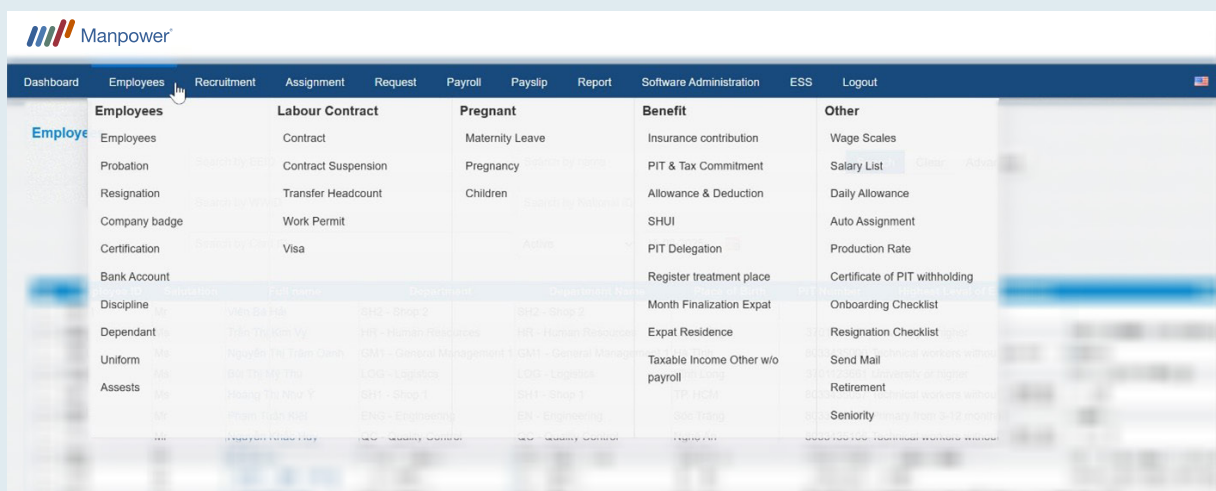

The only system offering end-to-end **encryption** for every piece of confidential information.

Experience

Smooth, intuitive access across both **web and mobile** platforms.
